Bristol Ostomates Self Support Group

NEWSLETTER –Summer 2021

Hello again! Doesn't time fly – it doesn't seem over a year since we last met. Some of you already know that **we have changed the date of the June meeting to Saturday 26th June.** This is so that we should be out of restrictions on numbers and allowed to meet indoors etc. We would ask that, if possible, you wear a mask in the meeting – just to be on the safe side! We will operate a one-way system through the refreshment/raffle area to help keep some social distancing. It will be lovely to see you all again! Our speaker is Miss Ann Lyons, surgeon at Southmead Hospital and she will be accompanied by stoma nurse, Angela Reeves. The raffle and teas will also be on hand!

Life is slowly getting back to “normal” and it is great to be able to sit outside a café with a cup of coffee and watch the world go by! Soon we will be able to go inside our favourite restaurant – what a treat not to cook and not to do the washing up – oh for simple pleasures!

You will see from the above picture what has kept me busy during these last few months – there's more outside “hardening off” before planting in the garden or selling for charity. My Lions Club have been recycling laptops and tablets for youngsters so they can keep up with their schoolwork. They are totally wiped of data and then re-programmed for use with their school's programmes, then PAT tested and then distributed to those in need. It was amazing how many children don't have access to a suitable device (some families only had one mobile phone between two or three children). If you have a device you no longer need and would like to donate it (with lead and password) to a good cause then please bring it to the meeting. Do let me know what you've been up to, that's kept you out of mischief (and sane) during these last months and I will include it in the next Newsletter!

Your Committee are meeting on Zoom for now and are planning your programme for the coming year. The Open Day is booked for the 4th September 10am to 1.30pm at the Future Inn in Broadmead and the BRI and Southmead Stoma team have said they will be there to answer any questions or give support. The Open Days are a chance for you to come and meet all (or at least most) of the stoma care companies and other related companies e.g., clothing and well-being etc. all under one roof. You can ask questions and order free samples of their products and generally chat to people in a similar situation to yourselves! There will be various workshops throughout the day. These Open Days help fund the group for the next two years so PLEASE put it in your diary – entry is free and there is subsidised parking in the Cabot Car Park which is close by.

Welcome to our new members, I hope you find the group useful! We hold a raffle at every meeting (when we can have them) and the talks are followed by delicious cakes and tea or coffee! There is always time to chat and see

what the company reps have to offer. If you have a problem talk to our stoma nurse, Helen – and don't forget to make yourself known to those of us on the committee next time we meet!

A word of caution – if you wear a hearing aid do be careful putting a mask on and off – I have found several hearing aids on the high street in Wells recently, they'd obviously been caught up in a mask and lost!

In the meantime, if you need help/information/support then do get in touch 01934 248114.

Can you put a copy of this Newsletter in your local surgery? There may be other stoma patients who don't know about us yet and who could benefit from realising they are not alone with their stoma.

We have an outlet for surplus ostomy supplies so you can bring them along to meetings and we will forward them on. Please ensure that if they are two-piece appliances BOTH parts are there TOGETHER!! Thanks. We can also take unused drugs as long as they are in sealed "wrappers or blisters". If anyone wonders where they all go the RAFT charity which takes them, sends them out to third world countries and refugee camps to be distributed. We also have a second outlet – the charity A to B which sends them out to Albania, and we now have a third outlet – a stoma nurse at Weston Hospital is starting a stoma clinic in Zambia and is keen to have our spare supplies as well! So "thank you" in advance. It is a shame there is so much being donated – by that I mean it is a shame that the NHS is paying for so much surplus supplies. A box of bags costs about £100.00p! So, if you are having problems and are trying out different bags you can get free samples from the supply companies or just order one box at a time and, if you can, cut them yourself until you are sure they are the right bag for you - it helps prevent waste. Obviously, at the moment, all the charities are shut during lockdown so we have a pile of boxes waiting to be passed on so, if you can hang on to any surplus until the next meeting that would make life a lot easier!

Please bring your used stamps along to the next meeting (hope you saved all your Christmas ones), – Christina has an outlet for these as well!

If anyone feels they can share an experience or information with the rest of the group then please send it to me for inclusion in the next Newsletter – this is your newsletter so feel free to contribute - and it helps me to fill the pages! Just email Janet.Clark@ostomy.org.uk

Our stoma care nurse is Helen Jarvis and she is usually in attendance at our meetings to give you help, if needed. Tel: 07513 120456

If you have an emergency admission to hospital and need some essential nightwear or toiletries, please get in touch as the group has some funding to cover this. Treasurer John on 01934 863679.

Don't forget to check out our website www.ostomy.org.uk let Janet know if there is anything you would like to see on it! Also, our Facebook page - the link is <https://www.facebook.com/bristolostomates/>
